HTML | CSS | JS
JIRA | Confluence
Slack | Zoom | Teams | Meets

SUMMARY

I am an ambitious programmer with an engineering degree. I have been working and developing at my current company for over two years, starting as a junior IT specialist. For more than a year, I have been programming in .NET technology, primarily working on APIs and microservices that form the foundation of modern applications. I am passionately developing my skills. I am a creative person who enjoys challenges and is open to new experiences.

EXPERIENCE

.NET DEVELOPER
9bits | 10/2024 — NOW

- Managing micro teams of programmers for specific functionalities.
- Being responsible for the timely completion of the micro team tasks.
